Winter Solstice Peace Vigil

**Light a Candle for Peace
on the Darkest Night of the Year**

Sunday, December 21, 2008

5:30–6:30 p.m.

Corner of Snelling and Summit, St. Paul

Bring a candle and join neighbors from throughout the Twin Cities to quietly witness for peaceful solutions to world problems.

After the vigil, warm up and socialize at a local Grand Avenue restaurant or coffee shop.

If you can't attend the vigil, light a candle in your window for peace and be with us in spirit.
